There is a time for everything, and the time to attend to a cold is when it starts. Don't wait till you have consumption, but prevent it by using One Minute Cough Cure, the great remedy for coughs, colds, croup, bronchitis and all throat and lung troubles.—Boschert & Williams.

Thayer.

Wednesday, July 28.—Miss Ora Eagles is employed on the Independent News force this week.

Mrs. John Dye and little son visited friends near Erie this week.

Ed Furgerson is papa, and about all you can get out of him now is, its a girl.

Albert Mathias, who was sick for several day last week, is able to be up again.

Mr. and Mrs. John Cantley drove over from Galesburg and spent Sunday in Thayer.

Harry Higgins and Abe Mathias were over in the neighborhood of Shaw this week buying cattle.

We noticed S. R. Christman, one of West Centerville's leading republicans on our streets last Saturday afternoon.

A. C. Winters took a load of watermelons to Galesburg last Tuesday. Wednesday, Lenord Welch drove to Chanute with a load.

A large crowd was in Thayer last Saturday to witness the balloon ascension by Prof. A. W. Fowler. The same was a complete success.

Grandma Fergerson is quite low with cancer. The last few day she has been much worse. The extreme heat has been very severe on her.

The republican primary of the Thayer precinct was held last Tuesday and a large crowd was in attendance—in fact, the largest for years.

Mr. Williams, of St. Paul, was in town Tuesday afternoon talking to our boys about about the propriety of making him the republican candidate for surveyor this fall.

Delegates were elected to the county convention last Tuesday as follows: J. H. Sperry, W. C. Strickland, J. S. Smith, D. F. Nelson, D. M. Commons, Col. A. D. Mathias, L. O. Madison and H. G. Lowrance.

Chas. McNulty and Ed Sullivan went to Erie the first of this week to pay their girls a farewell visit, and it is said that copious tears were shed by all. By the way, the boys expect to leave for Old Mexico in a few days.

Shaw.

Wednesday, July 28.—Rev. C. J. Saunders, of Erie, filled his regular appointment at this place last Sunday and was greeted by a large audience.

W. H. Nation and daughter Tillie, were up from Erie last Tuesday.

The youngest son of W. P. Woods had his arm broken by being thrown from a horse several days ago.

Mrs. Tucker, from St. Paul, was here the fore part of the week visiting her father H. Eckley who is in a very low condition of health.

We venture the assertion that Shaw

has shipped out more car loads of grain thus far this season than any other town of its size in the state.

Dave Houston, candidate for county treasurer subject to the decision of the republican convention, was interviewing his friends in this vicinity last Tuesday.

Score another victory for the Shaw base ball club. Last Saturday they laid it over the Stark boys on their own grounds to the tune of 6 to 2. Next Saturday their victims will be the first nine of Erie. We anticipate the usual result.

The latest construction of the 16 to 1 popocratic idea is that out of every 16 bills passed by the pop legislature, only one was so framed and passed as to stand a legal test. And yet we hear so much of their wisdom a city, and are almost inclined to believe that it was done purposely instead of through a lack of knowledge as many suppose.

Fourteen car loads of stock and farm products have been shipped from this point within the past week.

An ice-cream social was given at Mr. Shelton's Tuesday evening. Several from here attended and report an enjoyable time.

Henry Ocker has put in a nice new stock of hardware, wagon and buggy repairs and is right at home in the hardware business.

Mrs. May and Mrs. Lucas have been in Chanute most of the time during the week in attendance upon their father, Mr. Murphy who is dangerously ill.

C. S. Nation, the indefatigable pencil pusher of the Times was in our city Tuesday and we expect he lingered longer than was desirable as the evening train was about two hours behind time, however he put in his time fattening his already large subscription list at this place, to the tune of about a dozen, which no doubt compensated him for the extra time spent in town.

John Griffin of Zanesville, O., says: "I never lived a day for thirty years without suffering agony, until a box of DeWitt's Witch Hazel Salve cured my piles." For piles and rectal troubles, cuts, bruises, sprains, eczema and all skin troubles, DeWitt's Witch Hazel Salve is unequalled.—Boschert & Williams.
